

## Directions for buses (2023):

The university requests that we split the drop off locations between the Quad bus loops and UAC Bus hub.

The **Quad bus loop** entrance is at the intersection of N. LBJ and Sessom. This bus loop can hold about 7 school buses.

The **UAC Bus hub** is on Woods St. in between N LBJ and Guadalupe St. This bus loop can hold about 5 school buses.

We are supposed to schedule the arrival times of visiting buses to arrive in groups not in excess of the capacity of the bus hub. Plan on it taking about 10 minutes for the buses to unload.

Once the students are dropped off, the buses can park in the P9 lot (Coliseum, also known as the Aquarena lot). If for some reason that lot is full due to a baseball game or other sporting event there will be room in the P10 West lot of Bobcat Stadium.

Directions to those lots: After dropping the students off, go back down to the light at LBJ/Sessom – turn right. Then head to the East side of campus towards the Coliseum or Stadium lots. (P9 & P10E on the map)

Stay on Sessom until it dead ends at Aquarena Springs Dr. – Turn left.

Pass through one light (Charles Austin Dr.) and the 1st parking area is on the right. If that lot is full, the second parking lot is at the next light on the right (Post Rd).

**BUSES ARE NOT ALLOWED TO PARK AT THE SESSOM LOT (R2 & P5 ON THE MAP) BECAUSE THE ASPHALT IS NOT MADE FOR THE WEIGHT OF BUSES.**
